

PWRR ASSOCIATION EAST KENT BRANCH

Dear Prospective New Member,

Firstly, I would like to wish you a very warm welcome to the PWRR Association East Kent Branch. We are the first dedicated Branch of the Association and are delighted that you are considering joining us.

We are based in Canterbury and have over 100 members and growing. The Branch is open to serving and ex-members of the PWRR, both Regular and Reservists, as well as those who would like to join from our forebear Regiments.

To keep in touch we email information from both the Regiment and the associations and also publish a regular newsletter which gives details of forthcoming events. If you are currently serving or live a long way from Canterbury, we are pleased to include you in the Branch mailing list and hope to meet you at an event in the future. E-mail connectivity is preferred although postal mailing remains available in exceptional circumstances for those with limited Internet access. The secretary's e mail address is johnbennett@pwrr.co.uk if you have any queries or use the links on our web page or facebook group. www.pwrr.co.uk

Events range from an annual barbeque to a ladies dinner night, together with organised outings and regional lunches to enable members to get together every few months. Remembrance Sunday in Canterbury is usually well attended and is followed by a curry lunch at Leros Army Reserve centre.

Please enclose a cheque for £15 to cover administration as a one off payment to join the Branch. This should be made payable to "The PWRR Association East Kent Branch".

John Redfern
Major
Chairman
